You are now able to send your questions and take Responsible and Reliable answers by:

- ✓ Online Business Consulting (for business issues)
- ✓ Online Employment Consulting (for employment issues)
- ✓ Online Tax Consulting (for tax issues)
- ✓ Online Law Consulting (for legal issues)

A simple procedure in only 5 steps!!

Step One :

Complete the Communication Form and write down your question. Be careful: Your question must be described within 10 lines, not more.

Step Two:

We ask for further information when there are points that have to be clarified. We calculate the cost of service and send you our financial offer. The cost of each question begins from 15 euros (net value without VAT)

Step Three:

The process of online consulting service begins when you accept our financial offer and you deposit the amount of money in our bank account. Bank accounts will be announced via email.

Step Four:

We answer your question within 1-3 days.

We offer you , Eponymous, Integrated and και Reliable Answers. For further information, please do not hesitate to communicate with our Sales Department.

Step Five:

After we complete your question, we send to you our invoice (and we would appreciate your feedback for the consulting process).

The remarkable attributes of Online Consulting: an alternative way of consulting process

We create a confident, reliable and safe virtual environment in order every question for business, employment, tax and legal Issues to be expressed and answered. Every entrepreneur, employee, self employed, Greek expatriate, foreign citizen of Greece etc are able to address their question and enjoy an added value consulting service via e- Atlas. Our specialized consultants answer your questions in an effective and economic way. Everyone that use the online consulting process enjoys :

flexibility:

! In time ! In process ! In cost

Those that use our Online Consulting Service:

- ✓ They wanted a second point of view before they proceed to decision making
- ✓ They did not have time to meet with a specialized consultant
- ✓ They lived abroad, or far from organized consulting companies and face to face communication is not easy to be arranged (expatriates, people that live to countryside etc)
- ✓ They wanted to send an anonymous query that was answered in an accurate and confident way
- ✓ They did not want financially to commit themselves in a hourly, monthly or by project, basis
- ✓ They did not want to find answers through forums, blogs etc that are not responsible
- ✓ They wanted a tailor made consulting service
